

## AACA Annual Convention Parking Information

By Mike Jones, Chairman, Annual Convention, 610-842-4690, [Mjones0217@aol.com](mailto:Mjones0217@aol.com)

Because of all of the renovations happening at the hotel, parking for Annual Meeting will be a little different from past years. The garage under the hotel will be valet parking ONLY. The normal valet parking rate is \$50, but a special rate has been negotiated for AACA during our event. That special rate is \$20 + tax for either overnight or day parking valet.

If you are only coming for the day on Saturday or just for Saturday's Judging School, a special rate has been negotiated for you at the Philadelphia Gateway Parking Facility directly across 16th Street from the hotel.
