## Safe & Well – December 2018

### To: All Branches

Dear Colleagues,

Please see December's edition of Safe and Well newsletter with contributions from our USRs and field teams. The edition leads on the actions needed as part of a Cobra Rod incident. Other topics include a reminder on festive activities; new Ground Support Person training for the new MEWPs, a bit from Safety Day in SD and a reminder on what is a Near Miss and a reminder on help and support available.

Yours sincerely
