TO: ALL BRANCHES

Dear Colleague

BREXIT

All Branches and Representatives will have seen the important developments overnight on the Brexit withdrawal agreement.

We want to assure you that provision will be made for the NEC to have a comprehensive discussion on the overall situation when it meets on Thursday 29th November.

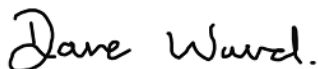

However, the situation is fluid and as well as the need to assess the content of the agreement and its potential implications on our members and the industries they work in, we will also be monitoring very closely the various political scenarios that may emerge in the coming days and weeks. These include the Tory Party no confidence vote in the Prime Minister and the debate and vote that will take place in Parliament on the proposed deal.

In the meantime, the union will continue to be active online in support of our policy to call for a General Election.

Further information will be sent out in due course.

If you have any further enquiries regarding this LTB, please contact gsoffice@cwu.org

Yours sincerely

Dave Ward
