Dear Colleague

## **Branch BAME Officer Positions**

The CWU Rule Book makes provision for the role of BAME Officer to be included in the Branch Officer makeup and we are eager to see all our CWU Branches fill these positions accordingly.

The CWU is also keen to ensure that we maximise the opportunities available to our members from under-represented groups to become involved in our trade union structures.

If you require any advice and guidance or assistance regarding the above please contact the Equal Opportunities Department on [dnoel@cwu.org](mailto:dnoel@cwu.org).

Attached for your information is a copy of a guide to the role of BAME Officer.

Yours sincerely

Dave Ward  
**General Secretary**
