Air Pollution – A Trade Union Issue, Free Half Day Course, London, Friday 9th February 2018, from 1.00pm – 4.00pm (Organised jointly by the Hazards Campaign & Greener Jobs Alliance)

To: All Branches

Dear Colleagues,

The Hazards Campaign and Greener Jobs Alliance are jointly providing this free of charge half day course in London entitled 'Air Pollution - A Trade Union Issue' and CWU Health and Safety and other Reps can register for a place. Numbers are limited so apply as soon as possible.

Air pollution in the UK is a public health emergency. Over 40,000 people die each year from causes linked to the air that they breathe – more than obesity and alcohol combined.

Workers are exposed to and create pollution to fulfil contractual obligations to employers. It is an occupational health issue that employers take little responsibility for.

Attending this course will help you to:

- Examine why air pollution is both a workplace issue and a public health one
- Find out about air pollution busting Citizen Science techniques
- Create action plans to deal with workplace exposures
- Create action plans to meaningfully engage in air pollution with local councils
- Share experience, knowledge and ideas

Venue:

GMB Euston Office
22 Stephenson Way
Euston
London
NW1 2HD

Date: Friday 9th February 2018

Time: 1pm - 4pm

A 'Free' Lunch will be provided.

Registration: To register for a 'Free' place please e-mail: janet@gmhazards.org.uk
