

Winter Session After School Clubs At Fallsmead ES!

KidsCo Express is a part of the KidsCo, Inc. family. It has been created specifically to provide short-term after school activity clubs. We are dedicated to providing a high quality program that will offer children exciting and creative opportunities. These activities will give children an opportunity to explore and expand their interests, in a fun, non-competitive atmosphere. All activities are geared towards elementary age children and their level of ability, and will give each child the opportunity to interact with other children with similar interests. Registration is open from Dec 1-Jan 1.

KidsCo will be offering one club this Winter. KidsCo Express Winter Session Clubs will be held from dismissal until 4:30pm starting in January and running through March.
