

OVERLAKE MEDICAL CENTER & CLINICS

2022 TEEN SUMMER VOLUNTEER

PROGRAM INFORMATION

The Teen Summer Volunteer Program at Overlake Medical Center & Clinics provides an opportunity for teens ages 16-18 years old currently enrolled in high school or a high school program to volunteer in a healthcare setting over a period of five weeks from late June-late July. Applicants should be interested in pursuing careers in healthcare. Space is limited and spots will be filled on a first come basis.

1. Applications accepted April 20 - May 20, or until slots are filled
2. The application is available on Overlake's Website under Careers
3. Completed applications require:
 - Parental consent form
 - Screening interview
 - Two recommendations (guidance counselor + teacher)
4. If chosen, applicants will comply with the organizations, DOH, and Washington State requirements for "new hire" and annual medical screening.
5. At the end of the program, the applicant will be issued a certificate of participation including the number of volunteer hours. Total volunteer hours available = 45 hours
