

# Community Service Hours

## NATIONAL PUBLIC LANDS DAY

## Bridle Trails State Park

## Saturday, October 1st

### 9AM — 12NOON

MEET IN THE EVENT/PICNIC AREA AT 9AM SHARP for directions, coffee, cocoa, and donuts before we head out in teams to tackle and take down some unwelcome visitors in the park: English Holly, English Ivy, Laurel, Reed Canary Grass, & European Mountain Ash.

REGISTRATION IS REQUIRED in order to maximize our work plan and, just as important, to ensure that we've got enough donuts.

Event is rain or shine - Join Us!
