

Kiwanis Camp Casey!

Kiwanis Camp Casey is a week-long, overnight summer camp for children with physical disabilities.

We are looking for counselors to join us for a week of fun this year in Blaine, WA! And WE WANT YOU!

Camp will run from **July 24th-30th, and training is provided leading up to camp.**

Counselors are responsible for direct camper care, entertainment, and overall joyful energy of camp!

Not only is it the best week of the year for us and the kids, but it fulfills 120 hours of community service, and is a great opportunity for exposure to pediatric Occupational and Physical Therapy.
