

HAWAII 2024

Aloha!

We are so excited to welcome you to our island home! Here are some highlights from your itinerary.

Arrive in Honolulu, Hawai'i and get your first experience of the Aloha Spirit when you participate in a traditional fresh flower lei greeting before checking in to your hotel right on Waikiki Beach.

Start our adventure with Kualoa Ranch. We will drive across the dormant Ko'olau Volcano which last erupted between 70,000 and 100,000 years ago and make our way to the tropical Windward side of O'ahu. Board a raft to cross an ancient Hawaiian fish pond to access our secluded getaway, Secret Island. The tour includes "fun in the sun" at a private island for the day to include beach volleyball, canoeing, kayaking, stand-up paddle boarding, sunbathing, and more!

You will have the opportunity to attend a clinic hosted by a director from the University of Hawai'i at Manoa's Music Department followed by a tour of Central Oahu and the North Shore, known worldwide for it's famous surf spots.

Be a part of history during your "Remember the Heroes" concert performance at Pearl Harbor. After you perform, tour the Pearl Harbor Historic Sites. Climb aboard the USS Bowfin, known as the "Pearl Avenger". Catch our Honolulu City Highlights Tour with views of 'Iolani Palace, the only royal palace on US soil, the King Kamehameha Statue and so much more!

Remember to stretch as we prepare to hike about 3/4 of a mile to the 760-foot summit of the most recognized mountain in the world - Diamond Head Crater! Bring your camera for a fantastic 360-degree view of the southeast coast! Below, we'll see the lighthouse, coral reefs, sailboats, and even surfers on the waves at Diamond Head Beach! Spend the day on the Waikiki Beach - soak up the sun, grab a Dole Whip, or maybe even hang ten while catching a wave with our optional surf lessons. You'll also have the opportunity to go on a catamaran sail to see breathtaking and rarely experienced views of Waikiki.

Experience a real local style luau at Nutridge Estate which is the home of Hawai'i's first macadamia nut harvest. See, smell, touch, taste, hear and experience a special part of Hawai'i's history at the beautiful Pu'u Ualaka'a - Hill of the Rolling Sweet Potato.
