Investors should consult with an investment advisor to determine the appropriate investment vehicle. Investment decisions should always be made based on the investor's specific financial needs and objectives, goals, time horizon, and risk tolerance. The statements contained herein are based upon the opinions of Envestnet | PMC® and third party sources. Information obtained from third party sources are believed to be reliable but not guaranteed. All opinions and views constitute our judgments as of the date of writing and are subject to change at any time without notice. Advisors should always conduct their own research and due diligence on investment products and the product managers prior to offering or making a recommendation to a client.

Investors should consider the investment objectives, risks, and charges and expenses of mutual funds carefully before investing. A prospectus or summary prospectus which contains this and other information about these funds can be obtained by contacting your Financial Advisor or the fund company directly. Please read the prospectus carefully before investing.

PMC managed solutions are proprietary to Envestnet. As the investment advisor, Envestnet receives a product management fee based on assets invested in the PMC products.
