

2021 SHS Graduation Leis

Order now & we'll take care of the rest!

The Hawaiian Lei symbolizes love, honor, friendship & celebration and is often presented by family and friends to graduating seniors to wear during their graduation ceremony. Leis are also commonly presented when someone is arriving and/or leaving, so it's no surprise that leis are given to graduates as they are leaving school and arriving to a new stage of life.

Order one, both or many!

Don't forget to tell Grandparents!
You can also order for your Senior's friends
