December 2021

Dear Parent:

What an exciting time for your family! Our records indicate you have a child eligible for the 2022/2023 Kindergarten class in the Mechanicsburg Area School District. We would like to personally welcome you to the Kindergarten Academy and the Mechanicsburg Area School District. Since we are able to offer a full day of kindergarten, your child will benefit from our comprehensive teaching of the social, emotional, and academic skills that set the foundation for a lifetime of school success.

A District-wide kindergarten registration will be held in person with the District Registrar in her office. Eligible children must reside with a parent/guardian who lives within the Mechanicsburg Area School District and be five years old on or before September 1, 2022 in order to attend kindergarten during the 2022/2023 school year.

We are asking you to pre-register your child for Kindergarten this year. **Please follow the online registration link located on the main page of our website at www.mbgisd.org under **District Services**. Next, click on **Central Registration**, then click on **Online Registration**, and then click on **2022-2023 Mechanicsburg Area School District Kindergarten Registration Form**.** After you have pre-registered your student, you will receive an email to schedule an appointment with the District Registrar, Angie Weber, for in person registration. If you do not have Internet access, if you plan to hold your child until the 2023/2024 school year, or if you are planning to enroll your child in a private kindergarten, please contact Angie Weber, District Registrar, at 691-3431. Please pre-register and schedule your registration appointment with Angie Weber by March 2, 2022.

At your registration appointment you will schedule a time to bring your child to the Kindergarten Academy. During your visit, Kindergarten Academy staff will be available to answer questions and provide information about our kindergarten program. While you are visiting with the KA Staff, your child will participate in several screenings and activities with our kindergarten teachers. Kindergarten visits will be scheduled for March 3, 2022 or March 17, 2022 with both daytime and evening times available.

We look forward to meeting you and beginning your child's educational journey together because "Kindergarten is PAWsome"!

Sincerely,

Angie Weber
