JHU Nomination Limit: 1
For More Detailed Information Click [Here](#)

Deadlines:

Internal Application: September 8, 2020
Full Application: November 1, 2020

Opportunity Summary:

The focus of The Warren Alpert Foundation is to improve the health of the public through grants and programmatic activities progressing towards attaining or perfecting medical treatments or cures through basic research, translational and outcomes research as well as through health education. The Distinguished Scholar program provides a transitional post-doctoral award for recipients to enable their advance to a full-time faculty member at the Assistant Professor level or higher.

Eligibility & Requirements:

- Applicants must have an MD or PhD degree (or both).
- Applicants must have completed a minimum of three years of a post-doctoral fellowship by July 1, 2021 in the field of neuroscience.
- Applicants must hold a post-doctoral research position at a United States medical school, research institute or academic hospital.

Internal Nomination Process:

Interested applicants should complete their application at the following link:

<https://jhu.infoready4.com/#competitionDetail/1820364>. Requirements are listed below.

1. Proposal (maximum of 3 pages) including title, summary of the research proposed, introduction, importance of the project, methods and likely presentation results, 1/2 page on the background of the applicant and the special characteristics that he/she has for implementing the project and career plan.
2. Curriculum Vitae of investigator, including current external research support and publications
3. List of three individuals willing to provide a letter of recommendation by the November 1st deadline
