

Heritage Language Educators

Professional Learning Community (PLC)

Join us on the **second Tuesday of each month from 4-5 pm** for conversation and collaboration about heritage language education. We will discuss programing and resources, share best practices, and work to solve common problems of practice faced by heritage language educators. **This community is intentionally multilingual** and breakout rooms will be used to support discussion and reflection on how topics and practices may be best implemented to serve the full range of heritage language learners.
