

Dear Parents,

We know this is a difficult time for you and your children.

Especially if you don't have high-speed internet available for your children to take part in distance learning. The DeSoto County

Board of Supervisors realizes there are many areas that don't have access to high-speed internet. We are partnering with DeSoto County Schools to identify those areas. High-speed internet is made available through providers such as cable and phone companies. We are gathering information to show the FCC that internet providers are not servicing the entire county.

HELP US, HELP YOU

Your answers to this survey are vital.

*Please fill out the below survey. You can return it with your child's learning packet. You can also email the information to cbarclay@desotocountyms.gov or call 662-469-8185. Thank you for participating!
