

Career & Technical Education (CTE) Magnet Programs

2024-2025 Quick Reference Guide

This guide identifies **required** classes for each program. Students who travel to a CTE Magnet center, are scheduled for classes half a day, every other day. Taking a traveling CTE class does not reduce the total number of elective/core classes that a student may take. Students may register for CTE traveling classes during the spring registration, at their zoned-home high school. Contact your school counselor for assistance, as well as your high school's Course Description book, for full course details.

Must provide self-transportation to off-site event
 Concurrent credit offered
 Class taught at zone-home high school
 Meets senior math exemption requirement
