Chair, College of Staten Island Presidential Search Committee

**Subject:** President Search Progress Report

The search for the next President of the College of Staten Island (CSI) is on track and well underway.

The [advertisement](#) for this search has been widely disseminated. A [leadership profile](#) has been developed based on input received from the larger CSI community, which serves as the main recruitment tool. We encourage the CSI community to continue to share these materials with their respective networks and to nominate individuals by emailing [CSIPresident@wittkiewer.com](mailto:CSIPresident@wittkiewer.com).

The committee is hard at work. As mentioned in my previous communication to you, committee members have pledged total confidentiality, consistent with the paramount need to protect the confidentiality of the individuals involved.

Thank you for your continued interest in this important search.
