- Social Emotional Growth and Development
- Assessment
- Intervention/Treatment
- Cultural and Linguistic Competency
- Family & Community Relations
- Professional Development

How to apply for the OIMH credential renewal

1. 60 days prior to the credential expiration date, a professional can access the renewal application by navigating to the Application Dashboard on the Applications tab in their OPR profile. Click the Actions button to receive additional application options.
2. Select Renew.

Ohio Infant Family Practitioner Level II (OIFP-II)	Initial	2020/04/06 10:40:54 AM	2020/04/24	2022/04/23	Approved	
Early Intervention Service Coordinator - Transition	Initial	2020/04/06 4:05:48 PM	2020/04/07	2025/04/06	Approved	

3. Complete the application by selecting the applicable PD Events verified in your registry profile. At least one hour in each listed core competency and remaining hours in electives for a total of 15 Professional Development (PD) hours. Please note that you must select at least one training from each of the six Core Knowledge and Competency Content Areas and each training must be a minimum of one hour to a maximum of three hours (any training 3.5 hours or more will only count for three hours). You will need to select enough Professional Development hours to meet the credential level which may require more than one training per content area is selected.

Total Professional Development Hours (applied/required)

17 hrs of 15 hrs
