BEGINNINGS

Your Summer Preparation for Christendom.

Student Support Services

Welcome, Class of 2026!

My name is Maribeth Martin, and I am the Director of Student Support Services at Christendom College. I am very excited to welcome each one of you to campus this Fall. Today, I would like to share with you some of the academic resources available on campus so that you can start planning now for your success at Christendom!

We offer an array of academic support services to our students, ranging from **Office Hours**

with Faculty, to **Workshops** on Time Management, Note-Taking, Study Skills, Writing Papers, Test-Taking Tips, and Learning Styles. Additionally, we provide **Tutoring** in Math and Languages and access to our experienced **Writing Center** staff throughout the semester. I would also highly recommend participation in the Mentor Program, which pairs an incoming student with an experienced upperclassman to assist him or her with fully embracing the academic life. Please let me know if you would like any more information on these resources!

One of your main academic support services is **Academic Coaching** with our Academic Success Coach: Miss Maura Eckels! If at any point in the semester you are feeling overwhelmed or simply do not know where to turn, you are always welcome to come into Miss Eckels' office and discuss a way to move forward. She is ready to listen to your concerns and create a personalized study plan for you to catch up in your courses and assignments. She has an open-door policy and would love to meet with you at any point in the semester!

As a last note, we also offer reasonable **Accommodations** for students with disabilities or other impairments that may affect their life at the College. If you are interested in pursuing an academic, dietary, or housing accommodation, please give me a call or send me an email this week to begin the application process. Then, we can set you up with the tools and resources you need to be successful from day one!

Know that you are in my prayers this summer as you prepare to come to Christendom. If you have any questions about our academic support services or would simply like to introduce yourself, feel free to contact me anytime (maribeth.martin@christendom.edu or 540-551-9172). See you soon!

God bless,

Maribeth Martin
Director of Student Support Services
