

Webinar Series: Reflecting to Re-envision Engineering Education

Culturally Responsive Energy Engineering Education in Rural/Reservation Elementary Schools

Date and Time: November 1, 2023 — 1:00 – 2:00 PM, ET

Speaker: Paul Gannon (Montana State University)

Registration Link: <https://bit.ly/3Fete8y>

Reflecting on Positionality to Re-envision Our Impact in Equity Research & Practice

Date and Time: November 13, 2023 — 1:00 – 2:00 PM, ET

Speakers: Joel Alejandro (Alex) Mejia (UT San Antonio) and Stephen Secules (Florida International University)

Registration Link: <https://bit.ly/3rLjM9k>

Stigma of Mental Health Conditions as a Barrier to Addressing the Mental Health Crisis in Engineering

Date and Time: November 16, 2023 — 3:00 – 4:00 PM, ET

Speakers: Mathilde Sanchez-Peña (University at Buffalo) and Nichole Ramirez (Purdue University)

Registration Link: <https://bit.ly/3rVi9WF>

Enhancing Reflection and Narrative Development through E-Portfolios

Date and Time: November 28, 2023 — 2:00 - 3:00 PM, ET

Speakers: Stu Thompson and Rebecca Thomas (Bucknell University)

Registration Link: <https://bit.ly/46oXae5>

Reframing Neurodiversity in Higher Education

Date and Time: November 30, 2023 — 1:00 - 2:00 PM, ET

Speakers: Connie Syharat and Marisa Chrysochoou (University of Connecticut)

Registration Link: <https://bit.ly/3QbEMzn>

Good Communication in Engineering: What Does It Mean?

Date and Time: December 1, 2023 — 1:00 – 2:00 PM, ET

Speaker: Ellen Lauchnor (Montana State University)

Registration Link: <https://bit.ly/473N2aD>

Learning from Black Women Before and During the Pandemic to Re-envision an Inclusive Doctoral Experience

Date and Time: December 5, 2023 — 1:00 – 2:00 PM, ET

Speaker: Sharnnia Artis (George Mason University)

Registration Link: <https://bit.ly/46UQuUI>

The Art and Science of Building Community

Date and Time: December 7, 2023 — 1:00 – 2:00 PM, ET

Speaker: Delia S. Saenz (University of California, Merced)

Registration Link: <https://bit.ly/3LWALMT>

Re-Envisioning Robotics in Engineering Education: A Partnership between e4USA and FIRST

Date and Time: December 12, 2023 — 2:00 – 3:00 PM, ET

Speakers: David Rogers (DEKA Research) and Adam Carberry (The Ohio State University)
