

Dear Hollywood Neighbor,

We are the Hollywood Garden Club. We are your friends and neighbors who help maintain the community triangles, decorate neighborhood streets for the holidays, and host the Historic Hollywood Home Tour (upcoming tour information will be announced soon). We invite you to join our group, have some fun, and learn more about our wonderful and historic neighborhood. *We do so much more than discuss gardening topics, so please join us regardless of your level of interest in gardening.* Although our current membership is mostly female, all are welcome.

There are many benefits to joining Garden Club: attend monthly meetings (September–May) to hear speakers on various topics, have fun at neighborhood parties, assist in making holiday street-sign decorations, work on the historic home tour, and receive email updates with neighborhood news.

There are four ways you can participate: (1) be a part of the club and get to know more of your neighbors by attending any of our events, (2) receive our “neighborhood news” updates only, (3) make a donation to support our efforts to keep Hollywood beautiful and support Shades Cahaba School, and/or (4) volunteer to help with triangle gardening projects, street-sign holiday decorations, or our neighborhood home tour.

Simply fill out the form below and return it to Katie Tipton or your nearest Garden Club member at the address provided at the bottom (**OR use our electronic options listed below**). We look forward to meeting you and seeing you at Garden Club functions!

Our next meeting will be the week of November 13th, at 6:00 PM, at Nan & Doug Unkenholz’s House at 109 Bonita in Hollywood. Program on Bonsai & Japanese Maples
