

WISE 2023-2024

Frederick County Public Schools Women in Science and Engineering

WISE encourages high school students to consider pursuing careers in science and engineering. The group meets once a month in the **Earth Space Science Laboratory** (ESSL) at 210 Madison Street, Frederick, MD from **6:00 to 7:15 PM**.

Speaker Schedule:

September 13, 2023 – Susana Marujo Teixeira – Neutron Beam Scientist, University of Delaware/NIST Center for Neutron Research

October 25, 2023 – Rebecca Dally, PhD – Instrument Scientist, NIST Center for Neutron Research

November 8, 2023 – Heather Zimmerman, DVM – Clinical Veterinarian, Battelle National Biodefense Institute

December 6, 2023 – Megan Mitchell, PhD – Biochemist/Biophysicist post doctoral researcher, NIST Center for Neutron Research

January 24, 2024 – Nayi Castro – Mission director/ systems engineer, NASA Goddard

February 21, 2024 – Julie Beall – Veterinary assistant, CVCA Cardiac Care for Pets

March 13, 2024 – Steffi Yen, PhD – astronomer

April 17, 2024 - TBA

WISE is a program developed to encourage females to participate as they have as a group been identified as underrepresented in the fields of science and engineering; however, all students, are welcome to participate.
