Goal of Presentation

Share the NOVA presentations our K – 12 schools have planned for this school year.

5 minutes

Agenda

Background

Overview

Budget

Next Steps

Background

Network Of Victim Assistance

NOVA strives to be a hopeful light for individuals healing from serious crimes, and for the greater community as it works to end patterns of violence.

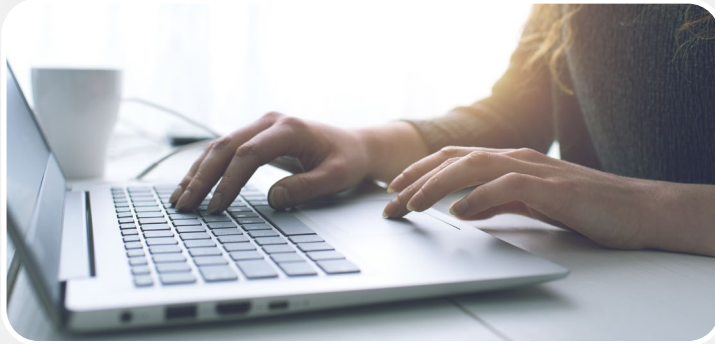

Overview

Cyberbullying Prevention Program for 5th Grade

- Presented to all 5th Grade Students in Central Bucks School District
- Part of our Health curriculum
- All materials were provided in BoardDocs for your review

Overview

Digital Footprint

- 6th Grade
- Your digital footprint is the record or trail left by the things you do online
- Includes: social media, personal websites, online subscriptions, photo galleries, videos uploaded
- Presentation materials were provided in BoardDocs for your review

Respectful Citizenship

- Middle school
- You can purposely hurt someone physically, verbally, emotionally, or using a technology tool (cyber)
- Presentation materials were provided in BoardDocs for your review

Gender Bullying

- 6th grade
- Intentional bullying behavior based on being male or female, gender stereotypes, also called "sexual harassment"
- Presentation materials were provided in BoardDocs for your review

Budget

Budget Implications
