

**Base Station Hospital System & Trauma Center
Catchment Area Designations Assessment
Public Consulting Group (PCG) Tentative
Onsite Schedule for May 23 – 26, 2023**

As part of the Comprehensive Evaluation of the Base Hospital System and Trauma Center Catchment Area Designations, the PCG team will conduct five (5) In-person Listening Sessions in each of the five County Supervisorial Districts. These sessions will be held Tuesday, May 23rd through Thursday, May 25th. All In-person listening sessions are open to the public and interested parties are encouraged to participate. Additional Virtual Listening Sessions will be held in the second and third week of June 2023, and more information will be announced as these events are confirmed.

In addition to the five In-Person Listening Sessions, the PCG team will ride along with San Diego County first responders and ambulance providers and observe the Base Station Hospital/MICN process to gather real-world insights.

The onsite PCG team will consist of Chief (Ret) Ken Riddle, Technical Project Supervisor; Bill Bullard, EMS and Trauma System Subject Matter Expert (SME); and John Eric Henry, EMS and QI SME. Also, in attendance for the Listening Sessions will be Trauma Center SME Dr. Oveys Mansuri, Trauma Surgeon/Director. Project support, including logistics and note taking, will be provided by Lauren Cantley, PCG Project Coordinator; and Melanie Brener, PCG Business Analyst. We look forward to meeting with you!
