

How to Use Temple Sinai's

New Streaming Platform: Vimeo Live

Q: How do I find the links for the services that are streamed?

A: You will find the link on the Temple Sinai calendar page or the streaming page (templesinaiatlanta.org/streaming)

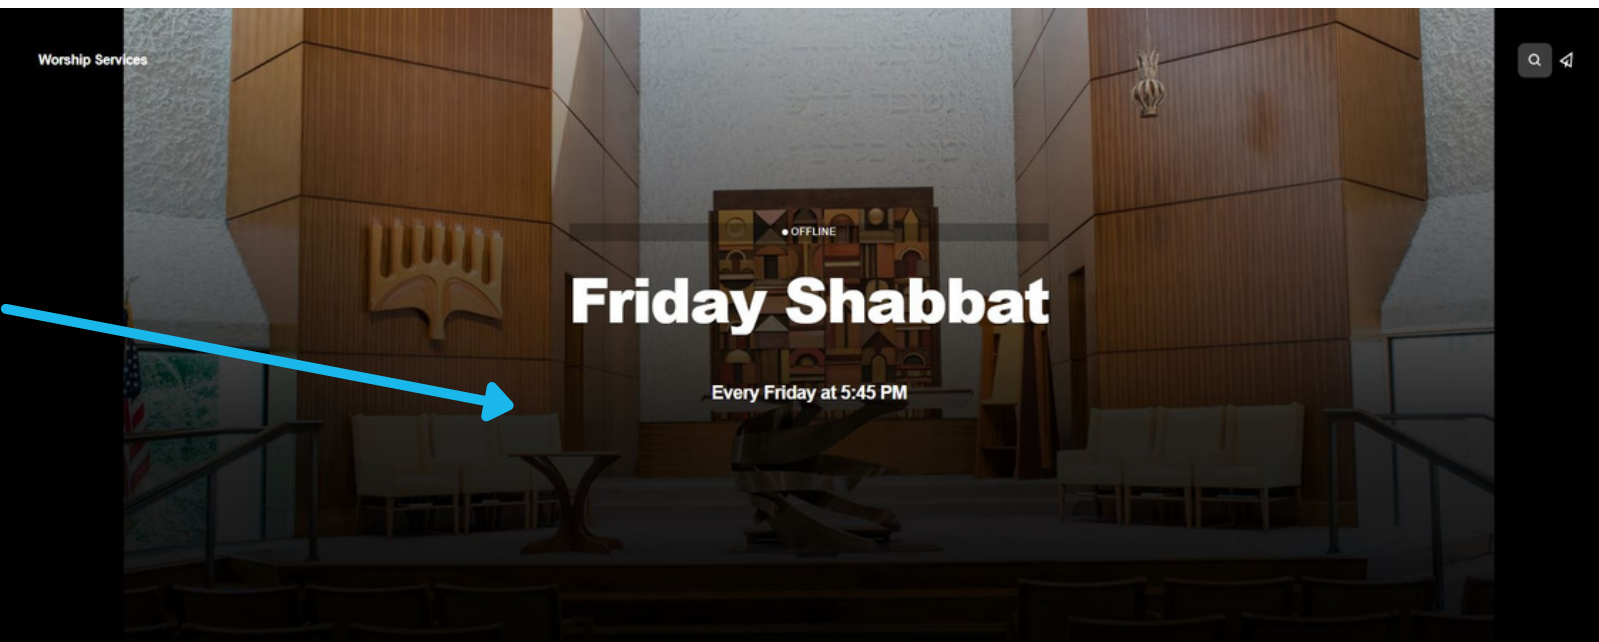

Q: Will others be able to see me like they do on Zoom?

A: No. You will not be on video.

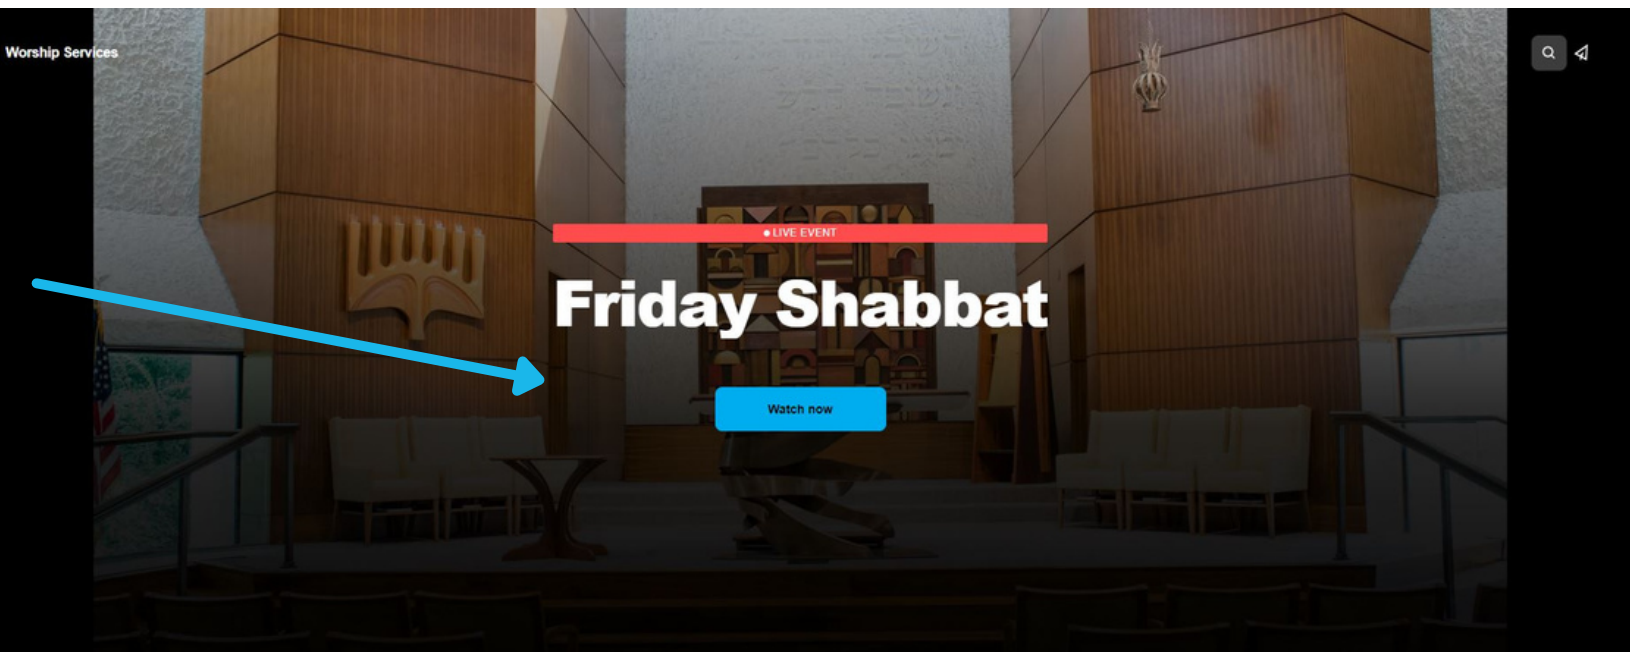

Q: How do I access this new platform?

A: Visit the streaming page for the link to join. Then follow these steps:

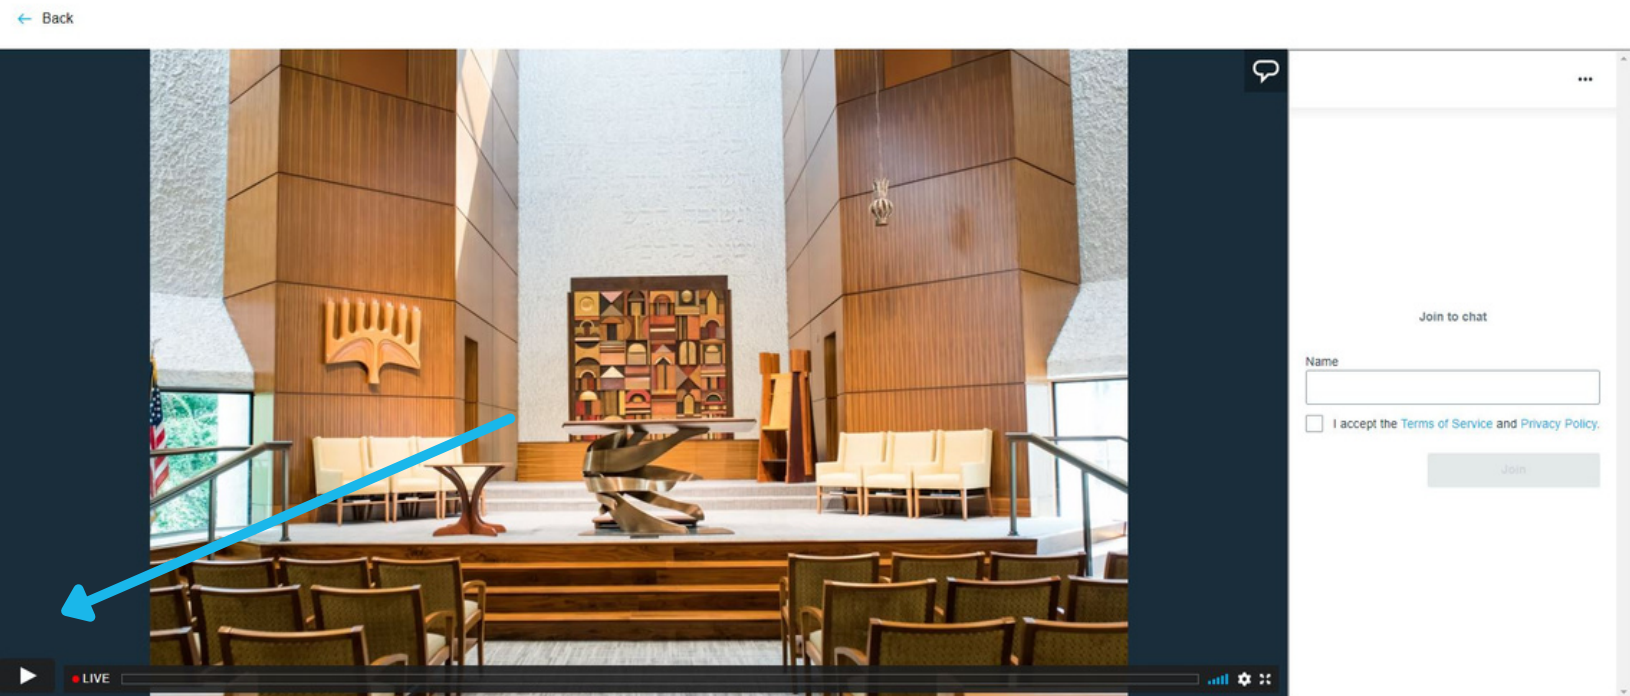

Step 1: If you arrive at the link early, you will see the following message. You will need to wait until the time posted for it to start.

Step 2: Once the stream becomes live, you will see this screen.
Click the button that says "Watch Now"

Step 3: Click the play button (white triangle) to start the stream.

If you would like to pause the live stream, click the pause button.

Friday Shabbat

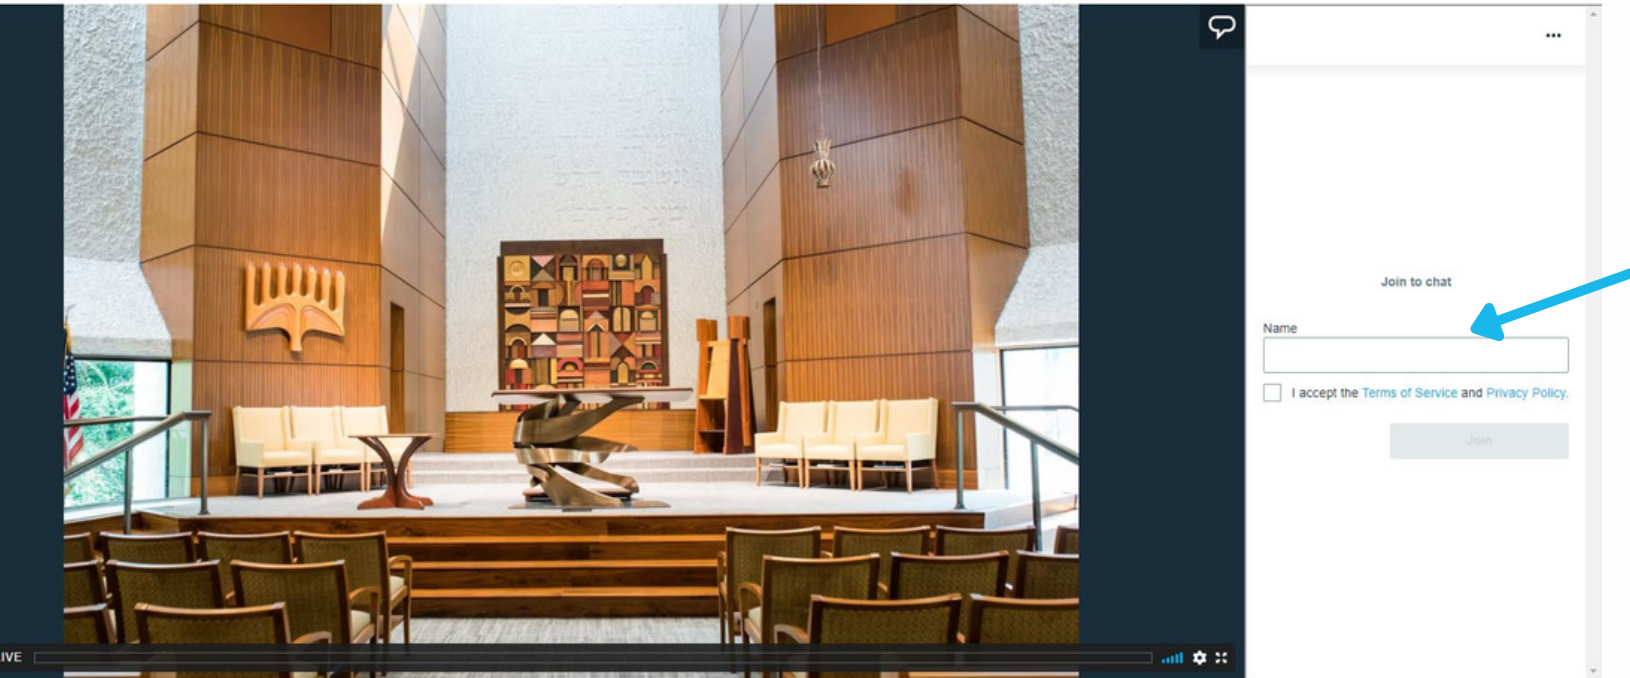

NOT YET RATED

If you would like to make the video full screen, click the button with the four arrows. To go back to small screen push the "Esc" button.

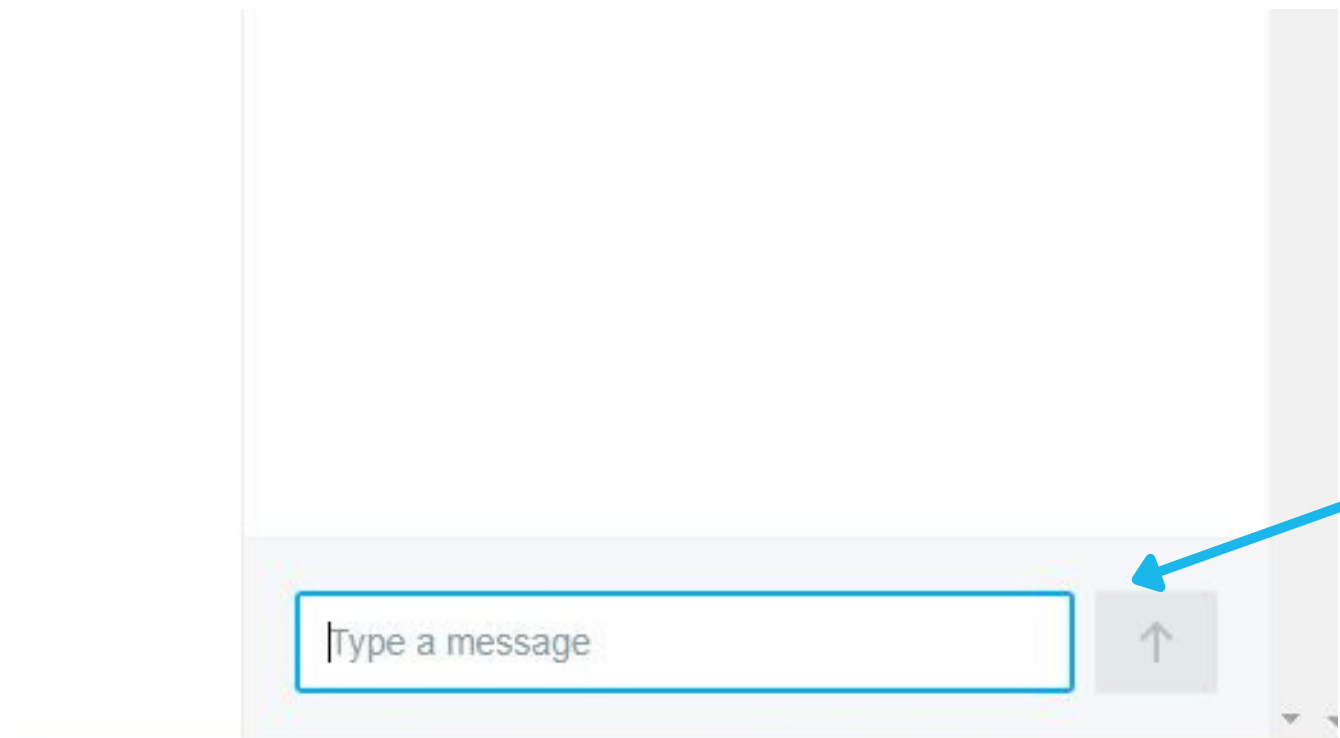

Q: How do I use the chat feature?

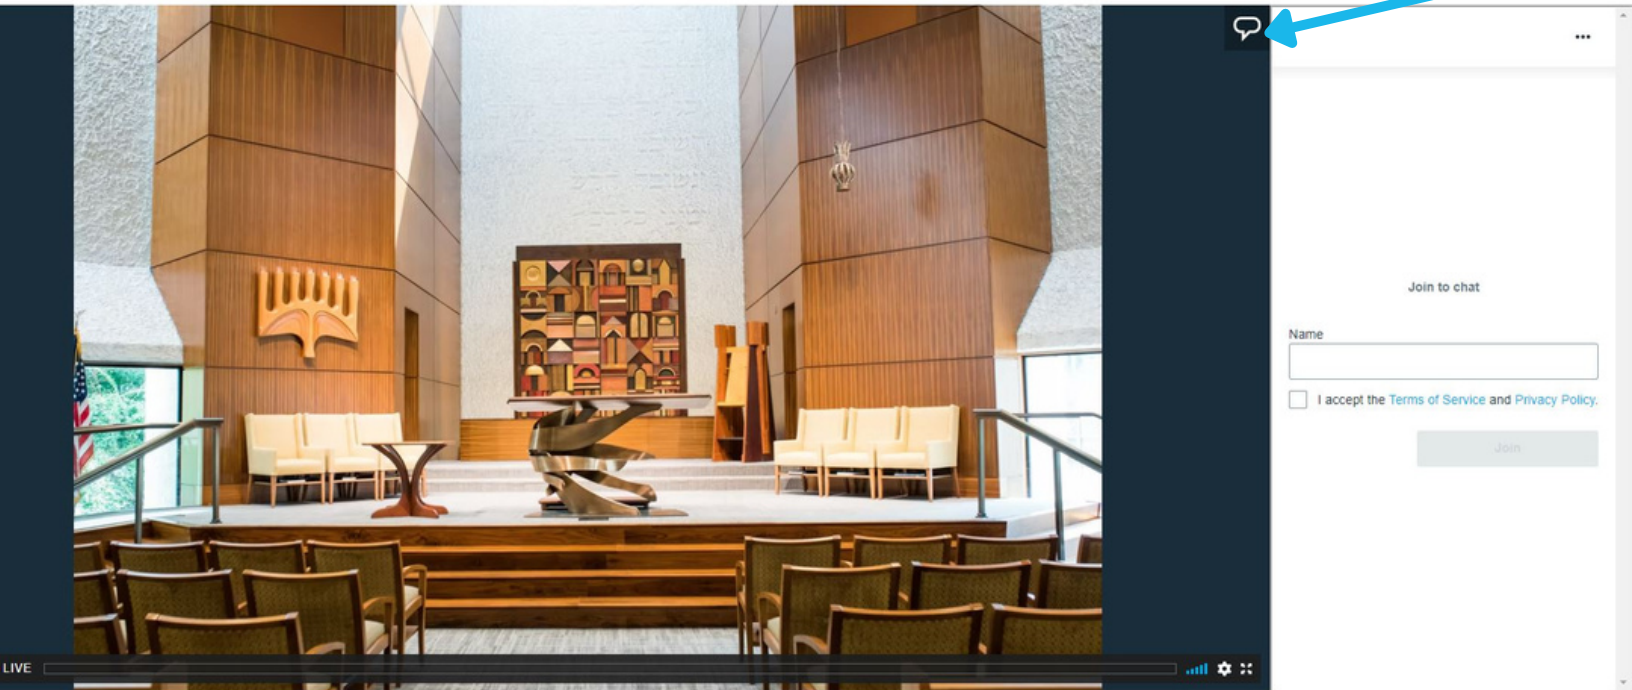

A: If chat is enabled for the service you are viewing, you will first enter your name and check the button for Terms of Service.

Type a message in the chat box. Your message will be seen by all participants.

If you want to remove the chat box from view, click the chat bubble.

If you would like to get back to the chat, click the bubble again.
