

Application for Georgia's Online MTSS/SST

Georgia Department of Education (GADOE) has developed a simple application form to assist us in the selection of districts for Georgia Online MTSS/SST participation. Upon approval of this application, a Georgia Online MTSS/SST member will contact you to review training dates and infrastructure set-up.

Currently, we know that the necessary access roles are available with Aspen, Infinite Campus, Powerschool, Schoolmax and TEMS. If you have a different Student Information System (SIS), please contact **Jesse Peavy** (jpeavy@doe.k12.ga.us) regarding the access roles which must be available.

If you feel that your district meets the requirements, please complete the following steps:
