

Foundational Care Management Codes & Billing

ABOUT THIS COURSE

The Foundational Care Management Codes & Billing Opportunities course builds upon team-based care focusing on reimbursement for care management services. This course was designed to support and train physician organizations and practice staff on care management billing. This course will be opened for identified PO billing subject matter experts, care management staff and administrators.

Topics will include:

- Care Team Coding and Billing is a Team Sport
- Billing Optimization
- Billing Applications
- Billing Resources

For additional details: <https://micmt-cares.org/training/foundational-care>

Cost: Complimentary to all MNO practices

Successful Course Completion includes:

- Attendance at the entire course
- Use of webcam during training is strongly encouraged
- Completion of the course post-test: need to have a score of 80% or greater on the post-test
- Completion of the course evaluation
