## Secondary Pre-Arranged Absence Form

Lake Washington School District recognizes the importance of regular school attendance as a necessity for mastery of the educational program provided to students of the District. As such, students are expected to attend all assigned classes each day.

Students may be excused from attendance subject to approval by the student's parent and the school principal or designee based on valid excuse criteria outlined in regulation JED-R.

If families have prior knowledge that their student will be absent, they may pre-arrange for the absence to be excused. If the pre-arranged absence will result in the student being considered chronically absent the prearrangement process must include a plan indicating how the student will maintain sufficient educational progress.

Teachers are not required to provide classwork or assignments in advance of an absence.
