## THE STATE OF THE PHLOCK

It's that time of year when we celebrate all things Parrot Head and there is no better way to celebrate than presenting the 2020 PHIP State of the Phlock ...

Here's a recap of our 2019 Party with a Purpose.

We closed out the 2019 year with 22,715 members, and our membership figures paired with the volunteer hours and fundraising efforts reveal much more than someone's payment of dues and the occasional annual involvement within the clubs. Those 22,000+ members make up the 206 Clubs who are the heart and soul of PHIP.

PHIP welcomed two new clubs to our ranks in 2019: Baja PHC, the second Mexico club and Montana PHC.

Last year's fundraising efforts amounted to \$3,401,893. More importantly you generously donated 229,991 hours of your extremely valuable time! Over the last 18 years Parrot Head Clubs have collectively contributed more than \$56.9 million and more

than 4.4 million volunteer hours! WOW!! It is the Parrot Heads who go above and beyond the required 2 charitable or environmental projects per calendar year and volunteer when they see the opportunity to give something back ... to their own communities, to the environment and to their fellow man, they do it in a big way. You make up the Meeting of the Minds volunteers, donate many hours to hosting successful club events and phlockings, volunteer as judges, work event information booths, man phone banks and generally pitch in when you see a need.

Your ways of raising money and volunteering include laying Christmas wreaths for veterans, dunk tanks, golf scrambles, walking, cleaning beaches and highways, serving meals and pancake breakfasts, bowling, water stations, giving blood, cooking chili, poker runs, casino nights, collecting tires for recycling, pub crawls, clothes drives collecting toiletries, pull tabs and box tops, and made thousands of baskets for raffles!

You help the elderly, veterans, less fortunate families, and the

homeless, providing clothing, meals, toys, Christmas gifts, senior services and youth camp donations, animal shelters/rescues and many clubs have *Adopted A Manatee*. On a national level clubs volunteered or raised money for *Toys for Tots*, *Ronald McDonald House*, *Honor Flight*, *Special Olympics*, *Make-A-Wish* and many walks for Cancer and other illnesses.

Many of you support the Lone Palm Foundation, the non-profit charitable arm of PHIP that exists to support PHIP Parrot Heads who could experience a personal need in the future.

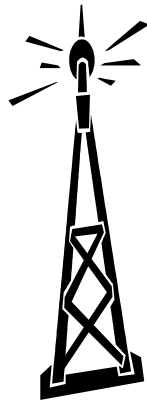

We continue to exceed the National PHIP Alzheimer's Team goal of \$100,000. Last year our National Alzheimer's Team members raised \$137,765 and our team participation numbers were 56 clubs. Again, the PHIP Board would like to thank all of the clubs who stepped up to help and donated to the *Walk to End Alzheimer's*

As with any organization, the right leadership is what makes a chapter succeed. Our advice for this coming year is to surround yourselves with an incredible group of officers who really care about the success of your club. Take time to identify your talents within your membership. Some of your members are just waiting to be asked to be a part of your club's success. In the long run you'll have the much needed help.

We truly remain united, working to achieve the same goals. There really is a bigger picture and a brighter future when we all work together. Your reported numbers reflect another healthy year in the books. May you all have a very successful 2020!

# CAPTAIN'S LOG

Second entry: April 15, 2020

Today marks the second entry in the logbook and it bears note, we are in uncertain times. Who would have thought the fleet would be dry-docked because of a virus sweeping the decks. However, I find in the midst of adversity is when the true leaders arise. Many of you are finding creative ways to maintain communications with yer crews. The innovation of the spyglass network seems to zoom images across vast distances, keeping us in visual contact and spirits high. Tis amusing to see so many of our mates raising a pint or two while staying far apart!

Luck be upon us, it appears the peak of this wave may be closer than we think and our fleet may raise anchor and make way soon enough.

However, damage may already be done that needs vast recovery. Many of our gatherings of brethren have been cancelled or moved, including shows by the pirate king himself! Without gainful opportunities to pillage, we have pirates low on funds. Morale is falling and invoices unpaid. And by Poseidon's beard, who is using all of the head paper?

Many of our best Captains are checking on their members, maintaining contact, and helping where they can. Words of encouragement are plentiful with these new coconut telegraphs. While we cannot host many of these events and house concerts that we have come to love, a new era has emerged to view our troubadours from the safety of our berths. They too are out of work, but over the years they have provided endless smiles and song... supporting their tip jars will ensure years of merriment to come.

Essentially, I am proud of our leaders for stepping onto the foredeck and ensuring the safety of our crews first. As Captains, ye have proven that we can continue not only to party, but do so with a purpose even during adversity. Imagine what we can do when we once again roam the seas.

An extra ration of grog for all of yer crews, and double that

for the Captains. We shall be through this soon enough me hearties. Until then, continue to look after yer mates and we shall meet again, in person.

By Andrew Talbert, PHiP Director of Conventions

Hello Everyone. I hope everyone is staying safe during these very different days we are experiencing at this time. I want to give everyone a few updates for PHiP’s Meeting of the Minds 2020!

### HERE ARE THE DRAWING WINNERS FOR PHiP’s MEETING OF THE MINDS 2020!

For the **four FREE nights in a two bedroom suite at the Casa Marina** we have a winner! You had to be registered for PHiP’s MOTM 2020 and have booked a reservation at the Casa Marina by **April 1st** to be in this drawing. The lucky winners are **Brian and Robin Aslakson of Fremont, Michigan**. They are both members of the **Virtual Parrot Head Club**. It pays to register early and stay at the Casa Marina Resort!

Next! For the **2 concert tickets and hospitality passes** to see **JIMMY BUFFETT AND THE CORAL REEFER BAND** show in a city of your choice in the USA or Canada during the 2020 tour courtesy of **MARGARITAVILLE FOODS!** All you had to do was register for PHiP’s MOTM 2020 by **April 1st!** We have a winner! **Sally Twyman-Morris and her husband Steve** are the lucky winners! They are members of the **Southwest Florida Parrot Head Club**. Congratulations to all of our prize winners and thanks to everyone for your support of PHiP’s Meeting of the Minds!

### THE CASA MARINA IS SOLD OUT WITH A WAIT LIST

The Casa Marina is sold-out with a wait list being built at the Reach Resort. This is great news for our event. If you want to be on the list for a Casa Marina room if we get cancellations here is the method:

**The 2020 MOTM Wait List for the Casa Marina - Here are the 3 steps below:**

#### 1. Register for Meeting of the Minds 2020.

**REMEMBER YOU MUST BE REGISTERED FOR MEETING OF THE MINDS 2020 TO STAY AT THE CASA MARINA OR BE ON THE WAIT LIST FOR THE CASA.**

**2. Book your room at the Reach Resort.** While our awesome Parrot Head rate is only valid at the Casa Marina the

Reach is offering a discount to our group this year. This Reach Resort rate will not be as low as the Casa rate but there is a booking discount for MOTM Parrot Heads. There are some Casa Marina cancellations every year so booking early will put you up the list as we do go in order to move people over as vacancy happens through the year. This can happen right up to the event so give the hotel your cell number not your home number for contact!

#### 3. Email our MOTM Director of Registration Kathy Kaz at [motmkathykaz@gmail.com](mailto:motmkathykaz@gmail.com)

Put in the title of your email **"PHiP’s MOTM Casa Marina Wait List."** Tell Kathy you are booked at the Reach and registered for PHiP’s MOTM. Kathy will add you to the Casa Marina wait list in the order in which you contact her. We have to fill the Casa Marina so we will work very hard to move everyone we can as cancellations occur. We will be working down the order in

Cont. on page 5.

which you reply to Kathy Kaz. Sorry for any confusion but it is best to manage this list through Kathy vs. contacting the hotel. Here is the special link to the Reach Resort for our group discount – Again this is NOT the same rate as the Casa Marina. Simply copy and paste the URL below into your browser to access the exclusive rates available just for Parrot Heads! Please note, the entire URL must be copied and pasted for it to work properly.

Sometimes there is trouble in the world but I can tell you this will be the escape you will never forget. Most of us are side-lined right now due to the virus situation but this too shall pass. There is no plan to slow down with the on-going planning and execution of PHiP's Meeting of the Minds 2020! Our event is in late October and by

then you will be looking for an escape to the end of the road! Take care of your PHriends and PHamily. We will get through this and we will have a celebration!

PHiP's Meeting of the Minds "Party at the End of the World" is all set and yet there are always moving parts that will make it ultimately better. I can tell you that I have been working on parts of the entertainment line-up for this event for almost 18 months. I was on the phone last night for several hours talking to musicians. It takes weeks and sometimes months just to get one set ready from the initial conversations to the contracts and details. I want to share that to let you know that every year is special as artists and bands can finally work things into their schedule and come to put on the absolute best Parrot Head convention we can afford to give you. Why? Because YOU rock Parrot Heads! Millions of dollars to charity and so many volunteer hours? We've got YOUR party in Key West!

So... let's start with you. This is the Jimmy Buffett fan club. Parrot Heads in Paradise, Inc. YOU all volunteer and raise money to help people all year long. PHiP's Meeting of the Minds in Key West is a gift to YOU as a reward for all you do to make the world a better place. Your PHiP Board of Directors wants to give you the party of the year. That is my job to lead and I take it as a daily task only because I love it. I will tell you that we have one *incredibly awesome* volunteer crew that is ready to deliver the goods. Our sound and production crew is *second to*

*none.* Every one of you deserve the best we can give you. We want you to come down to the mecca of the Parrot Head universe and experience the best value in entertainment that exists and still roll over some funding to local charities while you have the time of your life. I know we have all of that happening again this year...I drive a message and everyone on our team has the same goal...make every event something to remember and have a great time doing it. The plan this year will be no exception to the goal and you can quote me on that.

So here goes...some tradition, some young and new artists, some MOTM veterans, and some who come from the stages across the Parrot Head Nation. The Coral Reefer Band will be here in full as they are the backbone of Jimmy Buffett's music – more to come on that note... The alumni Coral Reefers will show up from year to year as they have helped shape this music catalog and they are part of

our PHamily. The Coral Reefer Band alumni are virtuoso musicians that would be welcome on any amphitheater show or recording session. They make our music stages go to the next level.

NEW to our Key West stage! A PHiP's *MOTM KEY WEST EXCLUSIVE PERFORMANCE!* The **Wheeland Brothers and Kaitlyn Weathers** are coming to Key West all the way from Southern California. You can hear them on Sirius XM via Jimmy Buffett's Radio Margaritaville and Kenny Chesney's No Shoes Radio. I started this booking conversation before the last 2019 event in Key West and have been trying to figure out how to affordably get them to travel out to the East Coast from southern California to play for YOU. Now they are stoked to be playing on our Key West stage. Their star keeps rising. YOU should come see this music! Go watch all that You Tube video...live is only going to be better! Go check the videos out!

<https://www.youtube.com/watch?v=HECh9lfFESY>

<https://www.youtube.com/watch?v=RrwD7-1xXfw>

Another PHiP's *MOTM EXCLUSIVE!* **Caroline Jones** WILL BE at PHiP's Meeting of the Minds 2020... I wanted to get Caroline to our event last year but she was too busy touring and there were other complications. Long story...the good news? After phoning a JB PHriend, talking to her staff, and our production crew for literally non-stop for the last four months Caroline will be on our stage backed by her band. Many of you have seen her on tour with Jimmy Buffett and Kenny Chesney over the last two years and this will be a chance to see 90 minutes of her music up close on our Key West stage. Go check the videos out.

[https://www.youtube.com/watch?v=ZEka\\_AWjoNo](https://www.youtube.com/watch?v=ZEka_AWjoNo)

We have all the supporting crew in place this year in Key West that have toured with Jimmy Buffett over the last year as well as the sound and produc-

tion crew who supported the recording of the brand new Jimmy Buffett "Life on the Flip Side" album in Key West. You could say this event is going to ROCK...

Hey I am just getting started. I already said the **entire Coral Reefer Band** will be in Key West for PHiP's Meeting of the Minds 2020 and ONLY playing at the Casa Marina. So what do they have for you? Honestly this 2020 CRB set was going to be played 2 years ago but some other things got in the way. Now you will see an entire 90 minute set with the CRB playing a little Club Trini warm-up followed by "Coral Reefer Band favorites from the Jimmy Buffett music catalog." This is not a set of "Songs you know by heart." The band has picked a special set and worked to give you something special for the seasoned PHan! YOU just need to be there...

**The Jesse Rice BAND** I know you are going to enjoy this set! More to come on this show.

**Cory Young and the Bula-ways!** This should ROCK!

**The Beachside Album Hour** is going to feature a complete album again this year...A completely full stage of musicians from Coral Reefer Band Alumni like **Roger Bartlett** CRB guitar player #001, producer and awesome song-writer, session guitar playing Coral Reefer **Will Kimbrough** will be on this set. **John Frinzi** with the Shrimper Dan Band leads this Jimmy Buffett album from beginning to end. This year the set is the 6<sup>th</sup> album released by Jimmy in 1976 titled "**Havana Daydreaming**." Most of the Coral Reefer Band will be on stage for this one!

After the album is finished John

Cont. on page 7.

Frinzi will end the set with his original music supported by a full band playing his original music.

I want to mention some of the sets that are crowd favorites. This year **Mac McAnally** is returning for a set on Friday night. I will personally say that the set last year on our stage in Key West was likely the best set I have ever seen since I first saw Mac open for John Prine in 1978. Stand-by. Mac will deliver some amazing music in a setting that you will be talking about for a long time.

**Peter Mayer.** Another *PHiP's MOTM EXCLUSIVE* at the Casa Marina! This year I asked again for something different than the last couple of years and Peter always delivers. This will be a revisit of the original "PM" Group including **Peter Mayer, Coral Reefer Bass player Jim Mayer, Brendan Mayer, and Coral Reefer drummer Roger Guth.** They will be joined by Chris Walters on keyboards and some other special guests. You can't see this set anywhere in the USA in 2020 so don't miss it. If you missed the early days of PM it is time to add this special set to YOUR resume...they will be there waiting

for you. Don't miss it on a beach 20 feet from the water.

**High South.** A *PHiP's Meeting of the Minds EXCLUSIVE!* All the way from Nashville still touring North America and Europe this band took much of the thunder last year at PHiP's Meeting of the Minds. The 2019 PHiP MOTM survey data on High South came back very strong and the crowd just kept raving about them. Well they are BACK and best of all they will ROCK you on Saturday night! If you missed this show last year you owe it to yourself to see this full band on our main stage in Key West!

**There are MANY, MANY, MORE BANDS AND ARTISTS COMING!!**

So I am going to try to not write so much more, I was over the limit after the first page. Online now is a listing of the artists coming this year with more details. I don't mean to leave anyone out as they will all get a moment in the spotlight before we get to Key West. Wow all of this for registration fees of \$90 and a free t-shirt while chilling on the beach or hanging out at

the pools in Key West? Our beer and margaritas cost 25 percent of a normal concert or even downtown Key West! How does this happen? We have \$5 cheeseburgers and \$6 breakfast sandwiches on the largest private beach in Key West! You all chose to join a Parrot Head Club, have some PHun, and do some good for your local area. Our job in Key West is to reward you with the best experience you will never forget. We have that covered. Go check out the online schedule. You will find some things I can guarantee you have never heard in the combinations you will see on our stages this year. You will also find many of the "gotta' see" PHan favorites and more. Our sponsors are all onboard already and planning some great promotions! Our registration price is still the same as many years before. All we need is you!

# THE 2020 GOLDEN COCONUT AWARD CONTEST

It's not too early to be thinking about your Golden Coconut submission-

Entries for the 2020 Golden Coconut Award of Excellence, presented by a representative of Margaritaville, Inc., will be accepted via email from July 1st, 2020 until August 31st, 2020.

For all the new clubs and new leaders out there, here's a little history lesson:

In 1996, Margaritaville and Parrot Heads In Paradise, Inc. decided to create an award to be given to a deserving Parrot Head Club, emblematic and in recognition of the outstanding Charitable and Environmental efforts of ALL Parrot Head Clubs.

Today, competition for the coveted award is waged through a "blind essay" submitted to an illustrious panel of judges composed of previous Golden Coconut Award recipients.

If your club hasn't entered or has entered in the past and didn't win, then you should submit a first time entry or enter again!!!

Did you know:

\* Many clubs who submit a blind essay for the contest have submitted an essay before?

\* Many clubs don't enter because they think it's based on membership or fundraising numbers.

**NOT TRUE!!**

Here are a few hints that might help:

1. BE CREATIVE!! (if it looks boring & not fun to read and it

really has nothing but fundraising figures, it's probably going to get a low score). Make it fun to read! We know you all are creative out there! You show your creativity in your concert attire, tailgating, event decorations and events! Put that same creativity to paper!!

2. Read last year's winning essay, as well as previous winning essays!! They are posted at: <http://www.phip.com/club-winners> Use their creativity as a Guideline!

3. You can't win if you don't enter!! The Golden Coconut Award is like winning the Lottery of PHIP and gives your club membership into a very unique and small group of Clubs who use their win to their advantage! You have bragging rights to use on your website, on your club merchandise! You know you love to talk about your club to anyone who will listen!! Imagine telling a potential sponsor of your event or club that your club is a Golden Coconut Winner and then explaining what it stands for!! We know you can be loud & proud.. put that spirit down on paper!!

4. Follow the rules!! Yes, we gotta have some stinkin' rules ... (as all contests do). (see rules below)

5. Don't have time to write a blind essay to submit?? I would be willing to bet that you have someone in your club who is a creative writer! Tap them as a resource!! There is NO rule that the Golden Coco-

nut must be written by a Club's Officer, the GC just needs to be submitted by the club's contact!! Sometimes a member who would love to contribute in some way just needs to be asked!

6. Every chapter, with the exception of previous Golden Coconut recipients after 2014, regardless of size or age, has an equal opportunity to win this most coveted designation!

**CONTEST CLOSES AUGUST 31st, 2020.**

**THE RULES:**

\*All clubs, with the exception of previous Golden Coconut recipients after 2014 are eligible to enter the contest

\* Entries must be received by this office no later than August 30th, 2020...

\* Entries received after 8/31 will be returned ...

\* Please submit by email, in MSWORD format to [phipmem-](mailto:phipmem-)

bership@gmail.com with Golden Coconut in the subject line.

\* Entry is to be by blind essay - No recognizable references to club name, city, state, local charities, etc. may be included. Also please omit number of members and total of fundraising. Entries with any discernable reference will be returned to the author for editing, if time allows ...

\* There is no minimum nor maximum length for the submission ...

\* Judging will be conducted by a panel including previous Golden Coconut Award winners, whose decision will be final...

\* The 2020 Golden Coconut Award winner will be announced at the General Membership Meeting during Meeting of the Minds.

Please direct any questions about the Golden Coconut to: phipmembership@gmail.com with GOLD-EN COCONUT in the subject line.

Get that creativity going NOW! This would be a great time to put your thoughts down & still have time for edits.

Good luck!!

**FINS WAY UP** to all of the clubs that reported that they “Partied with a Purpose” sometime during the past quarter! Several did say that they had planned events that were cancelled because of the virus so they did not have anything to report. So, the number of clubs listed is lower than normal. It is more important to stay safe and help prevent the spread of this new disease. Some clubs came up with some innovative ways to help others while maintaining the required “social distance”. Domino College reporting is not required, it is voluntary. But if a club wants to be included in the Domino College list you need to post on the PHiP Club Leader’s email lists when you have a charitable or community service activity. Or you can send an email direct to me at ssspenny@att.net. Just be sure to identify the club name and what you did! I hope all are safe and well and we can get back out to participate in our fun music and charitable activities when it is safe to do so!

To start or join the Parrot Heads National team, go to PHiP.com and click on the purple box "Walk to End Alzheimer's."

Some of our clubs choose to do outside fundraising to contribute to the National Team efforts. If that is your choice not to walk but to fundraise and contribute directly to your local Alzheimer's representative, remember this important piece of information: **IN ORDER FOR YOUR TEAM TO BE LISTED AS PHIP NATIONAL TEAM WHETHER YOUR WALK OR NOT, WHEN DONATING ANY MONIES TO ALZHEIMERS YOU MUST DESIGNATE THE MONEY TO GO TO THE WALK.**

We have already signed our 2020 National Team Participation Commitment form. We hope you join us as we all **WALK TO END ALZHEIMERS** in 2020!!

## MARGARITAVILLE “FEED THE FRENZY” PROGRAM FOR 2020

Margaritaville Foods is once again offering our Feed the Frenzy program in 2020! The following items will be included in the package. As always, the offer is available to all clubs for one event of your choice per calendar year.

**Margaritaville Foods Raffle Basket**  
(includes a variety of products and Margaritaville swag)

**100 coupons for Margaritaville Seafood**

**1 case of Margaritaville Seafood**  
(choose one of the varieties below for a total of 12 packages):

Calypso Coconut Shrimp (oven)  
Jammin' Jerk Shrimp (skillet)  
Island Lime Shrimp (skillet)  
Sunset Shrimp Scampi (skillet)  
Captain's Calamari Rings (oven)  
Volcano Shrimp (oven)  
Sailor's Sweet & Spicy Shrimp (oven)  
Baja Buffalo Shrimp (oven)  
Key West Chili Citrus Shrimp (skillet)  
Boomerang Shrimp (oven)

To help you make the best choice for your needs, it's noted above how

each of the products is prepared; everything is really simple, either throw it in the oven or on a skillet (stirring periodically) for 10-15 minutes. As for serving suggestions, the Calypso Coconut Shrimp, Captain's Calamari Rings and Volcano Shrimp are best used as appetizers and the Coconut and Calamari both come with their own dipping sauce too. The Boomerang Shrimp, Sailor's Sweet & Spicy Shrimp and Baja Buffalo Shrimp are also great as appetizers or even over salad! The others, Jammin' Jerk, Island Lime, Sunset Scampi and Chili Citrus, are cooked right in their sauces, which come already frozen on the shrimp, and are great served on toothpicks as appetizers or over either rice or pasta. Serving over rice or pasta also allows you to accommodate a bigger group!

**To confirm your order, please send me (Sarah at [shunkins@margaritaville.com](mailto:shunkins@margaritaville.com)) a note with the following information:**

**Please note the following:**

You must **place your order at least 3 weeks prior to your event.**

Shrimp will deliver the Tuesday prior to your event (or Wednesday in the event of a Monday holiday) and all other items will deliver prior to that. **If you do not receive any one of the items by 3pm that Tuesday, contact Margaritaville Foods right away**, so that there's ample time to track packages or send replacements in time for your event. If we don't hear about a missing package until Thursday or Friday, it'll likely not be possible for our shipping departments to send new packages to deliver for an event that weekend.
