

Lip Sync 2021

Friday, May 21st at 6pm

Our 2021 Lip Sync will be a 100% virtual event! Our 6th grade students will record and submit their performances, which will be played during a live Facebook event.

A few things to note...

As per Central Bucks School Districts health and safety plan, all recordings must be made separately. Students may edit videos to show all participants, but we will not accept videos that show multiple students recording together.

We are limiting this years event to our 6th grade students. Our hope is to return to our original Lip Sync format next year.

Students will need to make appropriate choices regarding dancing and gestures during their videos. We reserve the right to reject video submissions.

Videos will need to be submitted in MP4 format

Please sign up through our google form at <https://forms.gle/DTuHZk6pdCyB1bf87>

You will receive a song approval by April 30th, along with instructions on where and how to submit your videos.

The deadline to submit your video is Wednesday, May 12th. No late submissions will be accepted.

This is not a competition. Every student does not have access to the same equipment and technology. Videos will all vary in quality. This is a fun event, meant to showcase the talents of our 6th grade class. We will, however, be awarding groups with superlative awards for humor, creativity and so on.

Information on where and how to submit your video will be distributed along with your song approval.

Last of all...HAVE FUN!!
