THE COLLEGE SEARCH PROCESS: TO-DO'S FOR OUR COLLEGE-BOUND JUNIORS THIS SPRING

IN LIEU OF THE APRIL 25TH PRESENTATION AT SOUTH, [JUNIOR HOUSE COUNSELORS HAVE PREPARED RECORDED MODULES TO HELP FAMILIES NAVIGATE THE COLLEGE SEARCH PROCESS.](#)

Individual Recorded Modules can be found on the [GUIDANCE WEBSITE under the COLLEGE INFORMATION PAGE- Documents & Presentations.](#) It is our expectation that all college-bound juniors will watch the eight modules prior to their senior year.

Modules can be viewed in two ways. You may advance through the slides manually and read the notes provided OR you may watch as a Slide Show and the audio will run as a presentation. If you cannot hear the recording you may need to change your device (tablets may not be set up to play audio).

VIRTUAL COLLEGE TOURS

Since college campuses are closed at this time, many are offering [Virtual College Tours](#) (click hyperlink for comprehensive list). We encourage students and their families to use this resource and check college websites directly to find links to their virtual college tours. Please see our [Recorded Modules](#) for additional Virtual College Tour links.

VIRTUAL COLLEGE FAIRS

There are two opportunities for Virtual College Fairs that have come to our attention. Students should register in advance.
