

Eastwood Elementary and Eastwood PTA are fighting student hunger by participating in the Souper Bowl of Caring! In Utah 1 in 6 children are hungry but in the Granite School District the number is 3 in 5. Let's share our support for the Granite Education Foundation so that they can continue to help our students in need!

We are ready to kick off our charitable fundraiser today! You can pay cash or check to the office or visit the following link:

Our goal is \$5000.00, the charitable fundraiser will go until February 18, 2022. Please take a minute to make a donation today.

Thank you,

Eastwood and Eastwood PTA.
