	Practice mindfulness for stress relief.
	Exercise regularly to reduce tension.
	Maintain a balanced, healthy lifestyle.
	Talk to someone you trust.

**Bulldog Buck question of the month:**

**Can you name five cities where people will be able to view the eclipse on April 8th in totality?**

**NOTE: All PBIS Store orders have been filled. If you haven't seen an order you made, talk to Ms. Eisert.**

## The Great American Eclipse

On April 8th, many in the US will see a total eclipse. In Utah, we will see a partial eclipse. At school, we will arrange our advisory schedule so we can go outside to see it. If you have glasses, please bring them, and we will have some to share as well.

## Student Body Officers

7th Graders! If you are interested in running for a Student Body Officer position, make sure to pick up a packet after we get back from spring break.

## Track & Field

All students are invited to participate in Track and Field this spring. Talk to Mr. Costales for more information. We are still looking for a track coach so if you are interested or know someone who is, please talk to Mr. Anderson or apply online at Granite District employment.

## Library Materials Due May 2nd

All materials for students including checked out Chromebooks and library books are due on May 2nd. Late and lost fines will be assessed on this date. There is a \$5 per patron fine for late materials which will be assessed at the end of that day in addition to the lost fines.

## Art Competitions

Check the front office for information about the Kids and Cops Art Competition--entries are due April 11th in the front office. Also, the Granite District Junior High Art Show will be at the district office April 15-18th.
