Parameters and Considerations for Input

- 180 days of school (includes two compensatory days for conferences) are required.
- A legislative instructional exemption day is utilized.
- Holiday dates cannot be changed.
- Three end-of-term days are needed.
- Friday, or the last day of the school week, is a planning day and early dismissal for elementary students.
- Teachers have contract days before school begins as well as built into the year.
- The Friday following conferences will be a compensatory day.
- Primary instruction time before testing is a priority.
- We strive to maintain a minimum of three-day school weeks (Thanksgiving can be an exception).
- Efforts are made to connect days off to other holidays or to put a day in April or May when there aren't any other holidays.
- We attempt to keep the number of days in each quarter close for equal instruction time.
