

How to register for Perform 2024 HOT Sessions

1. Access the Perform 2024 Hands-on Training Sessions page after you register for the [onsite Perform conference event](#). The link can be found in your Perform confirmation email or if paying via Flexpoints in your email with your special payment codes. The Perform 2024 Hands-on Training Session page will display.

NOTE: You must be logged in with your Dynatrace account you use for Dynatrace Services such as Community, Support and/or University to access this page. If you are not already then you will be prompted to do so before the page will display.

TRAINING SERIES
Perform 2024 Hands-on Training Sessions

Overview Registration

About this series

As we open early registration, please note more details on the individual sessions will be forthcoming soon.

Master the platform with Hands-on Training (HoT) sessions with Dynatrace experts.

- **IMPORTANT! If you are paying via Flexpoints** work with your Services Rep **BEFORE** you register to ensure a smooth registration process. They will provide you special information and instructions for checking out properly.
- If paying via Flexpoints, you must register for all your sessions at one time.
- These training sessions are not open to Dynatrace employees.
- Please note that ALL Hands-on Training (HoT) information, including session dates, times, and locations, is subject to change.

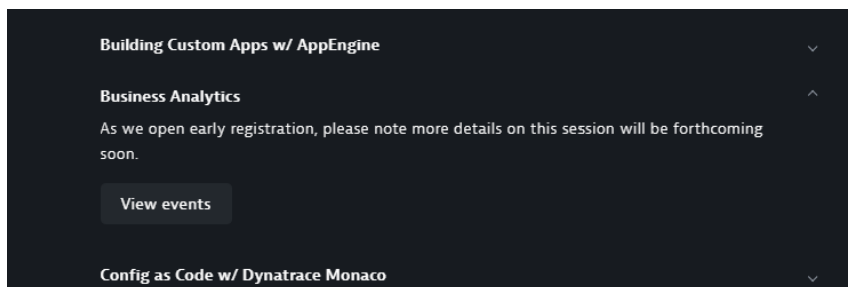

Schedule

- January 29, 2024 1:00 pm - 5:00 pm
- January 30, 2024 8:00 am - 5:00 pm

PERFORM

- Click the *Registration* tab. Under Choose your events all the sessions being offered for all the different time slots will be listed. You have multiple options you can use here as well to review sessions and figure out which you want to register for

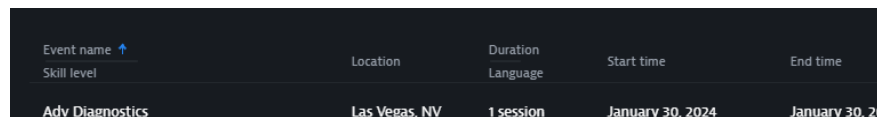

- Type in the *Search by name* field with keywords from the *session (event) name*.

- Filter by *Date* or *Level*.

- Sort the list of sessions by clicking on the headings: *session (event) name*, *start time*, or *end time*.

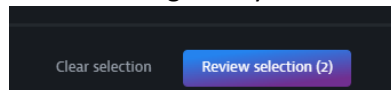

Event name	Location	Duration	Start time	End time
Adv Diagnostics	Las Vegas, NV	1 session	January 30, 2024	January 30, 2024

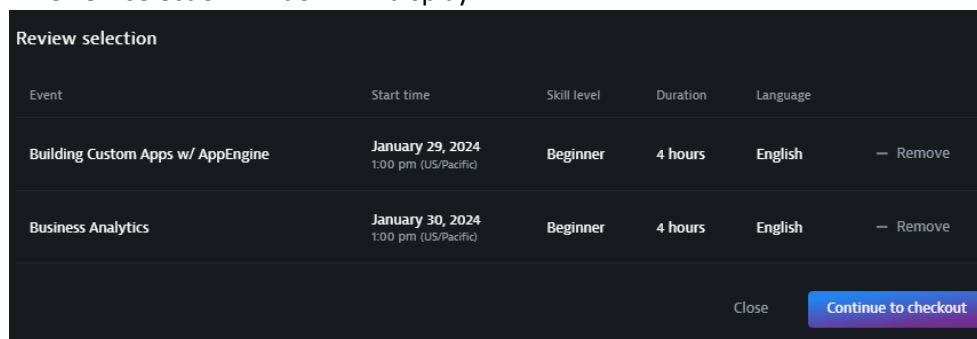

- Scroll down and use the arrows at the bottom of the session list to go through all the sessions.

- Once you see a session you want to register for, click **+Add**.
- Repeat steps 3 to 4 for selecting additional sessions if attending more than one session.
NOTE: If paying via Flexpoints, you must register for all your sessions at one time.
- After selecting all of your sessions, click **Review selection(#)** located at the bottom of the page.

- A Review selection window will display.

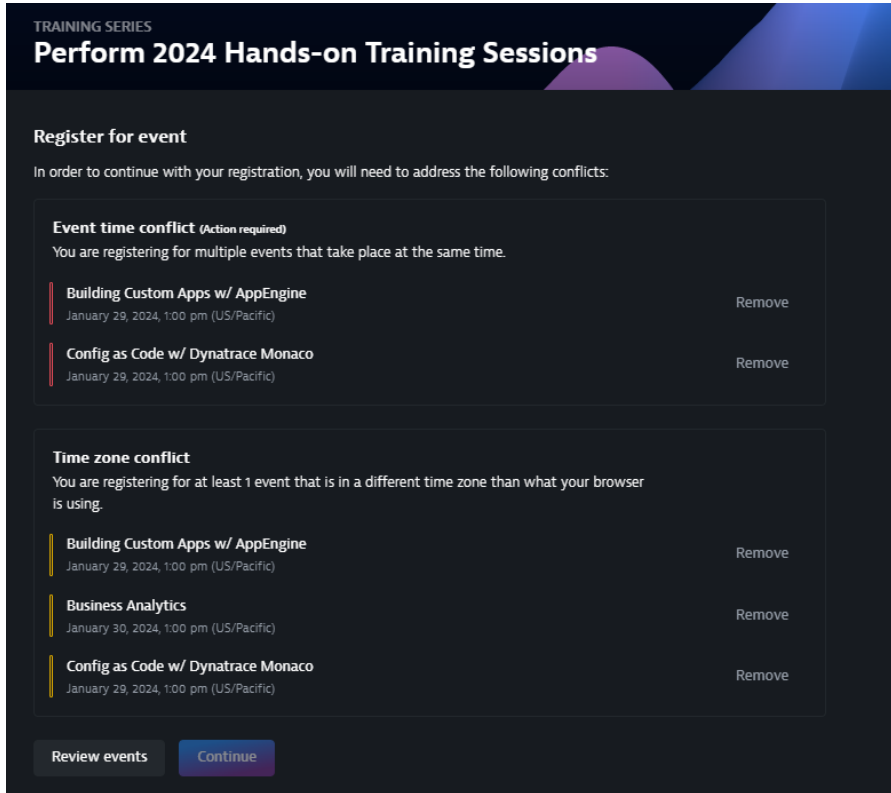

Event	Start time	Skill level	Duration	Language	
Building Custom Apps w/ AppEngine	January 29, 2024 1:00 pm (US/Pacific)	Beginner	4 hours	English	— Remove
Business Analytics	January 30, 2024 1:00 pm (US/Pacific)	Beginner	4 hours	English	— Remove

Ensure that the correct sessions are displayed and that you didn't pick any sessions that are happening at the same time.

- If you need to change your sessions,
 - Click **Close**.
 - Click **Remove** next to the session you want to remove.
NOTE: Alternatively, you can remove the session in the Review selection window and then click Close to go pick a different session or proceed if decide only need to move forward with the sessions listed after removing the sessions or sessions in the Review selection window.
 - Repeat steps 3 to 4 to select a new session and then click **Continue to checkout**.

- If you are all set, then click **Continue to checkout**.
8. Next you will either be taken to the checkout or have one or both of these messages appear:

Register for event

In order to continue with your registration, you will need to address the following conflicts:

Event time conflict (Action required)
You are registering for multiple events that take place at the same time.

Building Custom Apps w/ AppEngine January 29, 2024, 1:00 pm (US/Pacific)	Remove
Config as Code w/ Dynatrace Monaco January 29, 2024, 1:00 pm (US/Pacific)	Remove

Time zone conflict
You are registering for at least 1 event that is in a different time zone than what your browser is using.

Building Custom Apps w/ AppEngine January 29, 2024, 1:00 pm (US/Pacific)	Remove
Business Analytics January 30, 2024, 1:00 pm (US/Pacific)	Remove
Config as Code w/ Dynatrace Monaco January 29, 2024, 1:00 pm (US/Pacific)	Remove

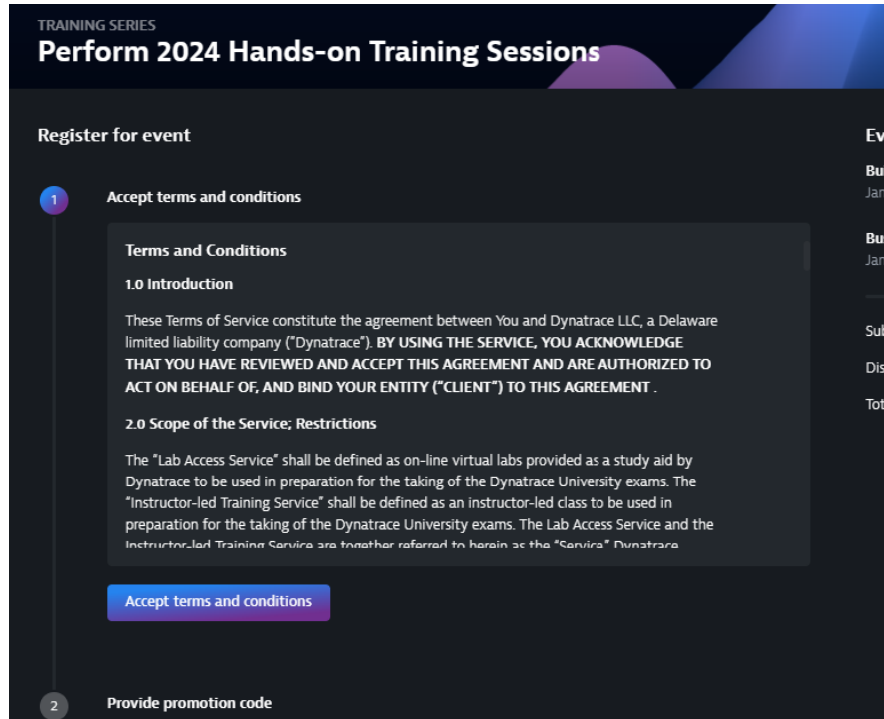

[Review events](#) [Continue](#)

Use these steps to resolve or progress past them:

- Event time conflict (Action required). This occurs because two sessions were selected that occurring at the same time.
 - i. Click **Review events** to remove one of the sessions happening at the same time and start again at steps 3 to 4 to add a session back in or the same session that is not happening at the same time as one you have selected.
- Time zone conflict. This occurs because you are not located in the Pacific time zone (or your web browser isn't set to the Pacific time zone. This is to warn you that you are signing up for training that is outside of your set time zone. This is a feature we have on all our training events in case folks miss the time zone information on an event to be sure they intended to register for one outside of their time zone.
 - i. Click **Continue**.
