

MINNESOTA

PROFESSIONAL EDUCATOR
LICENSING AND STANDARDS BOARD

2023 Legislative Priorities

Teacher Residency Pilot Program

- 1 year student teaching (residency)
- Mentorship from co-teacher
- 40k stipend for residents
- District-paid benefits
- Prioritized free or low-cost tuition during residency
- Stipends for mentor-teachers
- Funding for state-wide support for grantees

Supporting Heritage Language Educators

- Definition of heritage language & culture educator
- Program and staff support
- Funding for licensure costs

Removing Barriers to Licensure

- Return experts in world languages and visual & performing arts back to the classroom by expanding the BA exemption
- Move 800+ teachers immediately to a Tier 3 license by removing the requirement to pass licensure exams for those who have completed teacher preparation
- Remove testing and experience barriers for out-of-state teachers
- Eliminate the basic skills testing requirement for teachers seeking a Tier 4 license
- Short-call substitute teacher pilot
