Jessica C.
Elon University School of Law

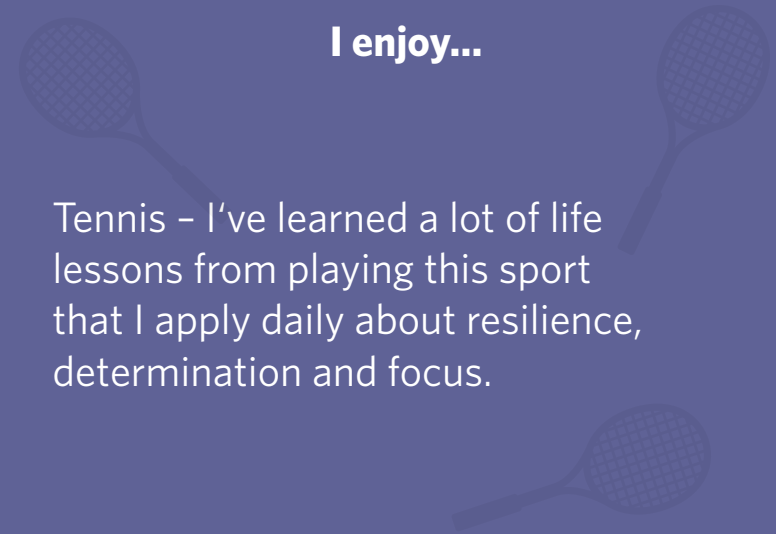

It may surprise you that...

I worked in the pharmaceutical industry prior to going to law school – I learned how to make vaccines!

I enjoy...

Tennis – I've learned a lot of life lessons from playing this sport that I apply daily about resilience, determination and focus.

I'm originally from...

Raleigh, NC

I love the USPTO because...

I have always been interested in Intellectual Property and wanted to be in public service.

Being a DC foodie (mostly pizza), playing video games, hiking, craft beer, and spending time with my family.

Kemi O.

University of Maryland School of Law

It may surprise you that...

I love to travel the globe: if I was not a trademark examining attorney, I would probably be a trip planner!

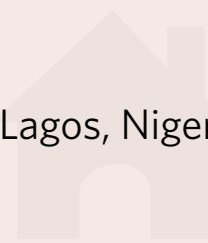

I enjoy...

Traveling, exploring new restaurants, attending concerts and working out.

I've always enjoyed Trademark Law! Helping startup companies and individual entrepreneurs process their trademark applications is exciting and rewarding.

Diana C.

St. Thomas University School of Law

Although I am ethnically Chinese,
I am more culturally Jamaican.

I enjoy...

Finding highly sought-after video
game consoles and making vaccine
appointments for my family.

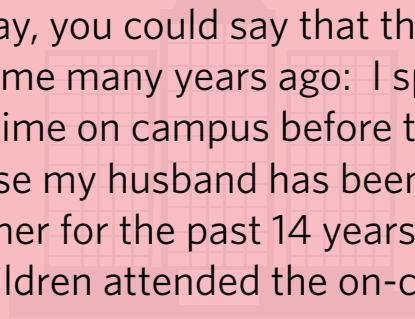

I'm originally from...

Fort Lauderdale, FL

I love the USPTO because...

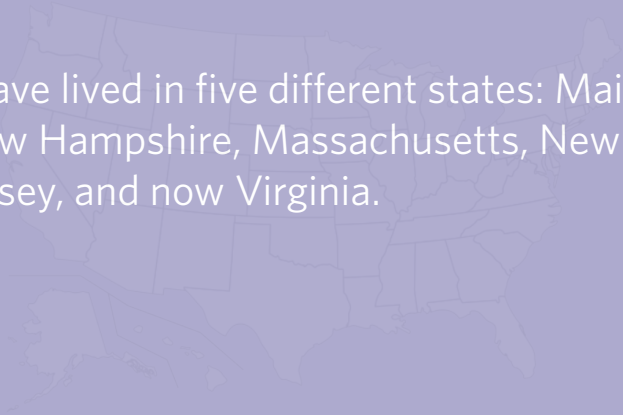

In a way, you could say that the office
chose me many years ago: I spent a
lot of time on campus before this job
because my husband has been a patent
examiner for the past 14 years and
my children attended the on-campus
daycare.
